HAMLIN, JONES COUNTY, TEXAS, FRIDAY, MARCH 8 1946

NUMBER 18

Highway to McCaulley to Be Let Soon

Completion of Vital Stretch of Road To Sylvester Will Complete Long Needed Artery to Hamlin

Next Tuesday was slated to see the signing of contract for the remaining stretch of road from Hamlin to Sylvester, according to word from the Texas Highway Department received by The Herald this week.

Bids were called for several days ago by the highway department for the 7.9-mile strip on the farm-to-market Highways 668 and 609, and Highway 57 from Longworth west to State Highway 70 and from U. S. Highway 80 to the Jones County line and from farm-to-market Highway 57 to 1.8 miles west.

Included in the contract will be grading, drainage structures and flexible base with asphaltic surface treatment.

Tuesday's letting is part of the 17-mile highway project from Hamlin to Sylvester by way of McCaulley, which also will include a two-mile spur to the Celotex Gyp Mill.

Work, it is believed by local road enthusiasts, will get underway shortly after the letting, as apparently little difficulty has been experienced by road building in obtaining materials. With the coming of warmer weather, too, the road building programs of the area are scheduled to take on new life.

With completion of the two contracts on the highway to McCaulley and Sylvester, an all-weather road that will be answer to a road problem that has been of paramount interest to area road enthusiasts.

ANNUAL SESSION OF SINGING CONVENTION SET AT ANSON SOON

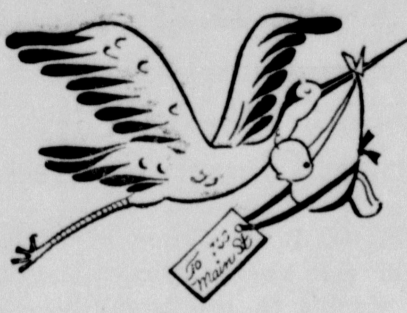

Fifty-three years ago the annual singing convention of Jones County met for the first time on the first Sunday in April. Since that time it has met somewhere in Jones County each year.

Anson is now the permanent home of the convention, and its regular meeting date is the first Sunday in April. The singing gets underway this year at 10:00 a. m. Sunday, April 7.

This convention is sponsored by the Anson Chamber of Commerce, and all out-of-county delegates will be guests of the Chamber of Commerce at luncheon. The convention always has attracted a large delegation of singers and this year should be the largest ever, The Herald is advised.

Charles McCright in States.

Charles A. McCright of Hamlin was listed among West Texans scheduled to arrive in New York last Thursday from service with the armed forces in the European Theater of Operations. Young McCright is expected home this weekend, The Herald learns.

Michael Travis Brewer is the name given the new son of ex-Navy Man and Mrs. Charles E. Brewer, who discovered America last Saturday evening at 7:40 o'clock at Stamford Hospital. Young Brewer, the third for the Brewers, weighed eight pounds on his arrival. Maternal grandparents are Mr. and Mrs. Gus Travis of Hamlin.

Gary Ted is the new man who took over Jay Hardware & Implement Company this week—at least until his daddy can get back on the job after welcoming the new arrival into the Eddie Jay family. The youngster, tipping the scales at seven pounds 14 ounces, was born late Monday night at Stamford Hospital. Older brothers of Gary Ted are James Eddie and Jerry Fred.

TELEPHONE STRIKE SETTLED AFTER ONE HOUR'S STOPPAGE

Hamlin telephone operators, and others all over the nation, went back to their jobs this (Thursday) morning at 7:00 o'clock after a one-hour curtailment of service. The strike, ordered by operators' unions, who sought an 18-cent-per-hour raise for their thousands of affiliating members, had been ordered at 6:00 a. m. Thursday.

Announcement was made between 6:00 and 7:00 o'clock this morning that a compromise of the wage dispute had been reached by union leaders and telephone company officials. The phone concerns agreed to a raise of approximately 17 cents per hour, The Herald understands.

Only two Hamlin operators were on duty for emergency calls this morning at 6:00 o'clock. Thirteen girls make up the local "number please" force.

Additional operators were called from their homes by the on duty switchboard punchers when word was relayed to the Hamlin office that a compromise had been reached by union leaders and phone officials.

(Calling off of the strike ruined a perfectly good story prepared by The Herald publisher on the strike).

Hamlin Juniors Start Work on Annual Play Slated for March 29

Junior class of Hamlin High School has begun work on the annual class play, and prospects for a good presentation are good.

The play, "Life of the Party," has a talented cast including Larry McCoy, Margaret Ryan, Shirley Baggett, Joe Weir, Patsy Brasher, Betty Sellers, Billie Donham, Betty Ferguson, James Fletcher, Bob Miles, Bobbie Crowley, Ray Myers, Verlene Stewart, Jo Hargrove, Jane Adams, Wanda Ford and Thomas Marr.

Class sponsors are Mrs. Holly Toler, T. C. Blankinship and Mrs. Jimmy Simmons.

"Life of the Party" is under the direction of Mrs. Toler, Mrs. Simmons, Mrs. Hefflin Miller and student director, Edith Scott. The class set the date for the play as March 29. "It promises to be good entertainment," say the juniors, for all the family. Plan to attend."

Above-Normal Buying Of Flour Discouraged

Above-normal purchases of flour for household use are unnecessary and unwise, E. A. McBryde, district director, said in urging Texas housewives not to hoard supplies.

Explaining there is no shortage of flour, he said purchase of extra amounts not needed now may become infested with weevils and spoil in home storage. He urged housewives to use present home supplies before buying more flour and to buy no more than is needed currently.

Hamlin Club Show Paced By Brigham

Fine Animals Shown in All Classes By Boys of Area Despite Bad Year for Exhibitions

Entries of Elton Brigham, Hamlin 4-H Club boy, walked away with both grand champion and reserve champion fat beef steer placings in the Hamlin Club Boys' Livestock Show staged last Friday at the rodeo grounds.

Despite many unfavorable conditions that existed in the area recently for stock raising, including the weather and shortage of feed for fed animals, the one-day show proved an eye-opener to the scores of people who went to the grounds to see what the boys of this area are doing with their livestock interests.

Prizes of \$200 were posted by the Hamlin and Anson Chambers of Commerce. Starr Inzer was general show superintendent. T. C. Blankinship, Hamlin High School vocational agriculture instructor, and H. C. Stanley Jr., Jones County agent, were responsible for promoting the show.

M. B. Templeton, Nolan County agent, and former VA teacher in Hamlin High School, was judge for the show.

Complete winnings by classes in the Friday show, as submitted by Blankinship, follow:

Fat Beef Steers, Dry Lot Light Steers under 825 Pounds—Elton Brigham, Hamlin FFA boy, first; Donald Young, 4-H Club, second; Jack Williamson, Hamlin FFA, third; Kenneth Treadwell, Hamlin FFA, fourth; F. W. Poe Jr., Hamlin FFA, fifth; Collins George, Hamlin FFA, sixth; Billy Joe Sweeney, Trent FFA, seventh; F. W. Poe Jr., Hamlin FFA, eighth; Kenneth Holloway, Hamlin FFA, ninth and tenth; Jack Williamson, Hamlin FFA, eleventh.

Dry Lot Heavy Steers, over 825 Pounds—Max King, Anson 4-H Club boy, first; Dale Brown, Hamlin FFA, second; Jack Williamson, Hamlin FFA, third; F. W. Poe Jr., Hamlin FFA, fourth and fifth.

Champion Dry Lot Steer—Elton Brigham, Hamlin FFA.

Fat Beef Steers, Milk-Fed, All Weights—Elton Brigham, Hamlin FFA, first; Wesley Campbell, Fisher County 4-H, second; Bobby Hughes, Trent FFA, third, fourth and sixth; F. W. Poe Jr., Hamlin FFA, fifth.

Champion Milk-Fed Steer—Elton Brigham, Hamlin FFA.

Dry Lot and Milk Fed Steers—Elton Brigham, Hamlin FFA, grand champion and reserve champion.

Fat Hogs, Heavy Weights, Fat Barrows and Open Gilts, 200 Pounds or Over—Freddie Max Stewart, Roby 4-H Club, first; Larry Reynolds Hamlin 4-H, second; Ray McCurley, Hamlin FFA, third; Dwade King, Anson 4-H Club, fourth; Freddie Max Stuart, Roby 4-H, fifth; Buddy Pyburn, Roby 4-H, sixth.

Fat Hogs, Light Weights under 200 Pounds—Riley Greenway, Dowell 4-H, first; Landon Earl Stuart, Roby 4-H, second; Wesley Tabb,

See STOCK SHOW—Back Page

PRINCIPAL IN BOYS' LIVESTOCK SHOW HERE

These men were principals in the Hamlin 4-H Club and FFA Livestock Show staged here last Friday for Jones and Fisher County club boys. T. C. Blankinship, left, Hamlin vocational agriculture teacher, was main

man behind the show, along with County Agent H. C. Stanley. M. B. Templeton, right, Nolan County agent and former VA teacher at Hamlin High School, was judge of the show that attracted scores of visitors.

MORE NEW WELLS IN NEINDA AREA HOLD INTEREST OF SECTION'S OIL OPERATORS

New drilling applications continued this week to shove the Jones County oil activity to the forefront of operators' attention in West Texas.

Neinda area of Central Jones County near the Fisher County line was slated for a six-well exploration program this week with the filing of five drilling applications by W. H. Snowden et al of Dallas and one by T. A. Kirk and L. H. Choate of Cisco.

Several producers from about 2,900 feet have been completed in the area, most of them by Buttram Petroleum Corporation of Tulsa, and two of the new wells offset this production. The other four are in a new area opened by completion of a well originally applied for as the H. K. Riddle No. 1 Barnhouse.

Wells for the order area will be the H. W. Snowden et al No. 1 Mrs. L. P. Young, 330 feet from the west and 1,600 feet from the south line of Section 2, Goliad County school land.

LITTLE INTEREST IN CITY ELECTION SO FAR BEING SHOWN

Little interest is being shown in the city election by Hamlin voters. The Herald observes this week. The annual naming of "city dads" is scheduled for Tuesday, April 2.

A mayor and three aldermen are slated to be named in the election, whose terms will run for two years. Two other aldermen's terms run for another year.

Terms of Mayor Joe L. Culbertson and Councilmen Fed Britton, Tom Holman and Guy Wilson expire this year. Hold-over aldermen are Ira Witt and O. D. Roland.

Names of candidates for the offices should be filed with the city secretary, Mayor Joe L. Culbertson points out.

Clean-Up in City Set For Next Week

City Will Haul Trash Collections in City-Wide Campaign Sponsored By Women's Clubs

Week of March 11-16 has been designated in a proclamation by Mayor Joe L. Culbertson of Hamlin as Clean-up Week.

Plans for the week had not been completed when the Herald went to press, but it was stated by Mrs. E. M. Wilson of the Hamlin Chamber of Commerce that probably plans of previous years would be followed for the clean-up campaign. The city, it was announced, will assist in carting off trash collections during the week free of charge.

Sponsored annually by the Garden Club and the Literary Club as one of their major activities for the year, the clean-up drive will begin Monday and continue through next Saturday. Mrs. R. D. Moore is Garden Club president, and Mrs. John D. Ferguson is president of the Literary Club.

Hamlin business and residential areas will be divided into six sections using the two main highways that traverse the city as dividing lines in the central section. Another section will be designated south of the Santa Fe Railroad and another north of the Katy Railroad. Captains for each of the six sections will be named by a meeting of the civic committees of the two clubs and the Chamber of Commerce civic committee scheduled for today or Friday.

As in previous years Hamlin citizens are urged to burn all trash collections that will burn, then to place all refuse and unburnable material in containers in the alleys, where city trucks will pick it up.

At the latter part of the week, if collectors have missed trash in some portion of the city, citizens may call the city hall and report it—but only at the latter part of the week, officials of the drive urge.

This year's clean-up campaign is several weeks earlier than the campaign of 1945, when it was the last week in May.

Jones Soldier Brothers On Way From Tokyo

Home of Mr. and Mrs. R. M. Jones of Hamlin was this week a happy place. The two soldier sons wired the parents here that they need not write them further at Tokyo, Japan, as they would see them soon.

Rex and Doyle, brothers who enlisted together many months ago in the U. S. Army, have managed to stay together all during their service for Uncle Sam. In battles together, the boys were wounded on the same day several months ago. They have served in the move-up on Japan from the near Pacific islands. They have been in Tokyo for several months, from which place the radiogram to the parents was sent this week.

Foursquare Fellowship Meeting to Be at Hamlin

Monthly fellowship meeting of the Wichita Valley District Foursquare Churches will be held at the Hamlin Foursquare Church on Monday, local denominational leaders state.

Afternoon services will begin at 3:00 o'clock, and the evening service will begin at 7:30 o'clock.

"The public is cordially invited," Foursquare Church members of Hamlin state. "Come and bring a friend with you."

Santa Fe Train Times Changed Last Sunday

Effective last Sunday the Santa Fe changed time of its passenger trains through Hamlin.

Eastbound, which had been arriving at 11:15 a. m., is now arriving at 10:15 a. m. Westbound, which had been arriving at 6:37 p. m., is now arriving at 8:01 p. m.

WOMEN IN THE NEWS

Mrs. Miller Hostess at Tea for Bride-Elect

On Friday evening from 7:00 till 9:00 o'clock, Bettye Lou York, bride-elect of William E. Shira, was honoree at a gift tea in the home of Mrs. Heflin Miller.

Guests were greeted by Mrs. Thomas Teague and directed to the front bedroom, where Mrs. Thomas Ferguson presided at the bride's book. Guests were then directed into the living room, where the honoree, Mrs. M. T. York, Mrs. Ezra Shira, Mrs. Heflin Miller and Mrs. G. R. Bennett extended greetings. They were invited into the dining room, where Mrs. John Walton, Marguerite Nobles and Beryl Jo Travis presided at the beautifully appointed table. The table was laid with a linen cutwork cloth. White stocks and spring flowers surrounded the punch bowl. Tall tapers in crystal candelabra accentuated the scene.

Patricia Bennett then invited the guests into the two bedrooms, where Mrs. J. H. Littleton of Abilene and Mrs. J. W. McCrary were in charge of the gift display.

Mrs. Florence Cowan said good-byes.

Co-hostesses were Mmes. Heflin Miller, John E. Walton, Florence Cowan, Thomas Teague and G. R. Bennett.

Approximately 150 gifts were received by the honoree from attendants and others who could not be present.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Verna Mae Sipe and Bunyan Payne Married

Wedding of Verna Mae Sipe daughter of Mr. and Mrs. Grover Sipe, and Bunyan Payne, son of Mr. and Mrs. B. C. Payne, was read at 2:00 o'clock Monday afternoon, February 25, in the home of the bride's parents in Hamlin.

Rev. E. L. Yeats, pastor of the First Methodist Church, read the single ring ceremony before an improvised altar of plumosias and candytuft in the presence of immediate relatives and a few friends.

The bride wore a navy blue dress with brown accessories. For "something borrowed" she wore a string of pearls belonging to her sister-in-law, Mrs. J. T. Sipe. She carried a white Bible topped with a corsage of white gladioli and knotted satin streamers. The Bible was a gift of her aunts, Annie and Maggie Seymour.

Lydia O'Neal and Technical Sergeant J. T. Sipe, brother of the bride, were the only attendants. Miss O'Neal wore a lime green dress of wool jersey with brown accessories and a corsage of yellow roses.

Music played softly in the background as guests greeted the bridal couple and during the informal reception following the ceremony. An arrangement of white stock flanked by single candles formed the decoration for the lace-covered table.

Immediately following the reception the couple left on a short wedding trip, after which they will visit in the homes of their parents until Payne reports for military duty.

Mrs. Payne, a graduate of Hamlin High School, attended McMurry College at Abilene, later serving as secretary of the Hamlin Public School for three years. She resigned to accept a position with the Celotex Corporation, where she has been employed for the past eight months.

Payne, ACM in the U. S. Navy, graduated from Hamlin High School in May, 1940. He enlisted in the U. S. Navy in May, 1941, taking his basic training at San Diego, California. Later he served 32 months in the South Pacific, returning to the States in July, 1944. Since that time he has been stationed at Corpus Christi, where the couple will reside.

MARRIED RECENTLY

Mrs. Bunyan Payne, above, was Verna Mae Sipe before her marriage February 25, in the home of her parents in Hamlin. After a wedding trip, the couple will be at home at Corpus Christi, where Payne, a Navy man, is stationed.

Woman's Literary Club Hears Texas Program

Mrs. Thomas Ferguson was hostess to the Woman's Literary Club Friday when the group assembled to hear a Texas program.

Mrs. O. D. Roland presided at the business session in the absence of the president, Mrs. John D. Ferguson. An instructive critic's report was given by Mrs. W. L. Boyd Jr. Humorous roll calls were from the book, "Texas Brag."

Mrs. Bowen Pope, program director, outlined briefly a few high points in the history of Texas, emphasizing that Texas celebrates her centennial of statehood this year. Mrs. Pope then introduced Mrs. Clyde Angel, who reviewed James Street's book, "The Gauntlet," in such an entertaining manner that club members almost felt they had seen the characters portrayed in "The Gauntlet."

Mrs. John Walton concluded the program with an oral Texas quiz.

The club welcomed an out-of-town guest, Mrs. Frank Johnson of Rotan.—Reporter.

Betty Gene Hines Hosts Friday Party

A group of young people met in the home of Betty Gene Hines at the home of Betty Gene Hines at until 11:30 o'clock, playing games and enjoying other diversions.

Attending the party were Joan Carr, Louise Riddle, Johnnie Mason, Sarah Ann Steele, Bobbie Brown, Joyce Dunn, Frances Martin, Marceda Marchman, Betty Joyce Ray, Jerita Durham, Johnnie Steele, Jeanette Bevels, Iris Ann Criswell, Irma and Nita Green, Dale Havins, C. W., Harold and Stanley Johnson, Bennie and Raymond Houghton, George Bigham, Othell Wallace, G. C. Black, Pete Marsh, Alton Kite, Lester Lee Hopper, MR. and Mrs. Gene Hopper, Mr. and Mrs. Tommy Mixon and Betty Gene Hines.

Lewis Doby Marries Abilene Girl Tuesday

A windy, sandy day did not prevent an open-air wedding in Hamlin Tuesday afternoon.

Lewis E. Doby of Plasterco and Clessie Miller of Abilene were principals in a marriage Tuesday afternoon near the Hamlin Church of the Nazarene. Rev. Sam J. King, Nazarene minister of Stamford, who was working on a residence near the church, performed the ceremony.

Doby is the son of Mr. and Mrs. John Doby of Plasterco. He recently received his discharge from the Army, having served overseas for a number of months.

The couple probably will make their home in Northwest Abilene, where they have purchased a farm.

Mrs. Ralph Worley to Present Music Pupils

Piano pupils of Mrs. Ralph Worley, Hamlin music instructor, will be presented in recital at the First Baptist Church Tuesday evening.

Both primary and advanced students of Mrs. Worley will appear on the program, scheduled to begin at 8:00 o'clock. Mrs. Worley and her pupils extend invitation to the public to attend the recital. About 20 pupils will give piano numbers.

Bettye Lou York Feted At Kitchen Shower

Bettye Lou York, bride-elect of William Shira, was honoree at a kitchen shower Wednesday evening in the home of Elizabeth Butcher. Co-hostesses were Joyce Culbertson and Margaret McBride.

Guests were directed into the bedroom, where the bride's book was signed. Then they were asked into the living room, where everyone was seated and gifts were presented to the honoree.

Refreshments of pineapple whip and sand tarts were served.

Amazing Fast Relief For COUGHS

BRONCHIAL IRRITATIONS DUE TO COLDS

The King of all cough medicines for coughs or bronchial irritations resulting from colds in cold wintry Canada is Buckley's CANADIOL Mixture — Fast working, triple acting Buckley's Mixture quickly loosens and raises phlegm lodged in the tubes—clears air passages—soothes rasped raw tissues, one or two sips and worst coughing spasms cease. You get results fast. You feel the effect of Buckley's instantly.

Compounded from rare Canadian Pine Balsam and other soothing healing ingredients Buckley's CANADIOL Mixture is different from anything you ever tried—all medication—no syrup. Get a bottle of this great Canadian cough medicine (now made in U. S. A.) today.

Eczema Itching, -Burning -Distress

Gets Quick Ease and Comfort

No sufferer can afford to pass up this honest offer of satisfaction or money back. During the past 25 years thousands of bottles of Moone's Emerald Oil have been sold for just such troublesome surface skin conditions.

Go to your druggist today and get a small original bottle of Emerald Oil and use as directed. You'll get relief quicker than you ever expected and in short time aiding nature, you will find that it helps promote faster healing.

Act today on our absolute guarantee of satisfaction or money back.

Abilene Woman Gives Baptist Church Course

Mrs. O. B. Woodrum of Abilene taught the Young People's Leadership Course to the young peoples' workers and standing committee chairmen of the Women's Missionary Society of the First Baptist Church Tuesday, February 26, in the home of Mrs. Tate May. Mrs. Woodrum is young people's secretary of the District 17 W. M. U.

The six young people's organizations of the Hamlin church were represented by their counselors and helpers. A profitable day was spent, and plans were made for more efficient work in the organization.

Those present, beside the teacher and hostess, were: Mmes. D. D. Shelburne, Mrs. Lott Shell, Mrs. Joe Simpson, Mrs. Cecil Sellers, Mrs. Brandon White, Mrs. Lesley Shelburne, Mrs. Clyde Angel, Mrs. J. L. Altum, Mrs. H. A. Eckler, Mrs. Lovell Stell, Mrs. Carl Young, Mrs. J. W. Ezell, Mrs. A. Spencer, Mrs. LaFoy Patterson.

A covered dish luncheon was served at the noon hour.

Mary Alice McNeely And Taylor Sipe Wed

Wedding of Mary Alice McNeely and Taylor Sipe was read Sunday evening at 4:00 o'clock in the home of Bro. and Mrs. Mardell Lynch, with Bro. Lynch officiating for the single ring ceremony. Mr. and Mrs. J. T. Sipe were the only attendants.

The bride wore a powder blue suit with black accessories. She wore a shoulder corsage of pink gladioli.

Immediately after the ceremony the couple left on a short wedding trip to Lubbock.

Forty-Two Party Gives At Wise Chapel School

Hostesses for a forty-two party at the Wise Chapel school house Friday evening were Mmes. Ralph Riddle, Larry Holmes, Johnnie Agnew and Roy Watts. There were about 100 present for the occasion. Mr. and Mrs. Bowen Pope, Harld Bonner and L. H. McBride of Hamlin were present in the interest of the new proposed hospital for Hamlin.

Prizes for high score were won by Mrs. J. C. Riddle and Flavel Holmes. Iced punch and cookies were served as refreshments.

Hostesses for the next party, which will be on the evening of March 22, will be Mmes. H. E. Hewitt, Watts Fletcher, Mose Jones and Dave Herbst.

Sylvester Home Ec Girls' Club in Session

Sylvester Cardinal Club of home economics girls of Sylvester High School, met last Thursday, when the vice president called the meeting to order.

The program for the meeting was on "Good Grooming" and it gave us several good suggestions on grooming.—Patsy Josey, Reporter.

ALL THEY ASKED WAS AN EVEN BREAK

Building a new country was no easy job. But there were men and women willing to tackle it—to turn their backs on the government managed way of life and their faces toward new frontiers. All they asked was an even break.

Free enterprise is another way of saying "an even break." It's the basic American principle of vision and private initiative. Just give an American an even break—a chance to get ahead—and he'll go on from there.

But when government goes into business, in competition with its citizens, the American ideal of an even break is destroyed—for government in business enjoys special privileges that are denied the people.

Take the case of government-owned power plants, for example. They pay no taxes; get money from the U. S. Treasury at little or no interest; make up losses out of the pockets of the taxpayers.

On the other hand, America's business-managed power companies—owned and operated by millions of folks like you—are on their own. They pay their full share of taxes, and they pay fair interest on loans.

The same forethought and experience which furnished electric power for a global war will assure America dependable—and cheap—electric service for a post-war world. There are still new frontiers in electric living to be opened. And business men can do the job better than bureaucrats.

ARE WE LOSING OUR RICHER LIFE?

In this day of rapidly paced business and professional work we sometimes wonder if, in our human experiences, the full and richer life when we pass the 70-year milestone can possibly survive.

Instances of our younger people, men and women in their early thirties, dying from cancer and heart attacks are becoming indeed too widespread, and the pace of modern civilization will either have to slow down or much of the human race will vanish from this earth.

In the spiritual world the Good Master can take the broken hearts of men and women—broken vessels as they are—and mold them into soul winners for the kingdom; but when the physical body breaks down we cannot order such "replacement" parts as new hearts, new lungs and "a new set of piston rings."

The fuller, richer years of human experience, 70 to 100 years of age, are becoming rarer, and people, if they live to see these glorious years, must take much better care of their bodies than the world at large is now doing.

SAVING OUR JALLOPIES IS ECONOMY

Hamlin people can begin to take due alarm at the rapid rate in which cars are disappearing from the roads and highways, and in a proverbial way we can tighten our belts another notch to keep our present vehicles rolling until more are available.

Not only are cars and trucks disappearing from the highways at an alarming rate, but parts to repair same are getting mighty scarce, and the danger point to our transportation system seems to indeed be near at hand.

Saving our "jalopies" by driving at moderate speeds, obeying all traffic regulations and avoiding "chances" for highway accidents evidently will be the only solution to our many problems. Continued strikes in steel plants and at automobile plants makes the possibility of getting very many new cars on the road before next winter very remote—if not impossible.

The day has definitely not passed for wiring the old bus up with baling wire, if need be, and a Ford, for example, using taps from a pontiac, exhaust pipe from a Chevrolet, door handles from a Buick—and parts from other cars, to "keep 'em rolling." The day, in fact, is now at hand when people in many instances will be lucky if they keep the family bus chugging and coughing along until more new parts and accessories are available.

COTTON FUTURE LOOKING BRIGHTER

The importance of cotton in the American economy has never been more apparent than at those times when cotton's future seemed blackest and when cotton farmers gave serious thought to entering the competition for livestock and grain markets.

Today for Hamlin and all Cotton Belt producers the cotton situation presents brighter aspects than at any time in history insofar as the rest of the country is concerned. New cotton markets, undreamed of a few short years ago, are fast becoming realities because of accelerated activities in exploring the potentialities of the versatile white fiber and the cottonseed.

Through the National Cotton Council and other agencies, research and sound promotion activities have been undertaken that are creating new cotton products and consumer acceptance for them.

Flameproof cotton insulation material, stain-and-waterproof plastic coated cotton fabrics, unspun and non-woven cotton cloth are new uses which offer markets more than a million bales of cotton a year.

Although the uses mentioned above are only a starter, they are indicative of what can be done with and for cotton. If through these and other new uses, the cotton farmer can find an adequate market for his cotton, he will cease to constitute a serious threat to farmers in other states whose crops he can produce abundantly and at low costs.

The cotton farmer and the entire cotton industry should be applauded and encouraged in their aggressive program of research and sales promotion. The continued success of this program is of vital national interest.

WHAT CONTEMPORARIES ARE SAYING

OUR NEW BIBLE TO READ

A new translation of the New Testament to be known as the Revised Standard Version, has been completed and is now being distributed to the public. This version was prepared by a committee of translators and Bible scholars named by the International Council of Religious Education.

Members of the committee have said that while the new version is cast in a simpler, more familiar style, none of the changes affects any major doctrine of the Christian faith.

Translators outlined the reasons for undertaking the laborious task of revision with these explanations: That the English Revised and American Standard versions lost much of their beauty and power because of a too literal, mechanical translation; that scholars are better equipped today than they were 60 years ago both to determine the original text of the Greek New Testament and to determine its language; and that the Bible is "not merely an historical document and a classic of English literature, but the Word of God."

The Rev. Dr. Luther A. Weigle, dean of the Yale University School, states in the introduction that "the Word must not be hidden in ancient phrases that have changed or lost their meaning; it must stand forth in language that is direct and clear and meaningful to the people of today."

Whether or not you subscribe to a change in your Bible, it is reasonable that a change of language will benefit the children of today who are used to a far different speech.

Without predicting in any degree the popularity of such a version, still the very fact of its completion and publication marks a notable accomplishment in the field of Biblical scholarship.—The Post Dispatch.

Faith, like light, should always be simple and unbending; while love, like warmth, should beam forth on every side, and bend to every necessity of our brethren.—Martin Luther.

The crimes that are now being committed by man against man cry aloud not for vengeance, but for a complete change in our relationship.

HEALTH OFFICIAL URGES INVENTORY AT START OF YEAR

Dr. George W. Cox, state health officer, stated Tuesday that he believed it would be a worthwhile idea for every Jones Countian to take a health inventory at the beginning of the new year.

"In the true spirit of New Year we should give some thought to the mistakes we have made during the past year, and a great deal of thought to planning some way of improving our health conditions during the coming year," Dr. Cox said.

"The American people are very fortunate. We have scientific knowledge of communicable diseases; we have already made important conquests in the warfare against infectious diseases; as a people we still cherish the methods of reasoning as the best means of adjusting human differences. We have material wealth to make knowledge work; we have capable leaders in the sciences of life processes that see great opportunities for public good in health measures that unite effectively the resources of medicine, education, finance and government. We are probably the most realistic and practical of all people. We should be capable of even a more vital national economy, and nothing can be of greater help to our country at this time than the conservation and promotion of good health," Dr. Cox asserted.

Maybe He'd Prefer Opus.

Dinner was a little late, so the hostess played the piano. She finished, but there was still an interval of waiting. In the grim silence she turned to Slim Summerdale and asked: "Would you like a sonata before dinner?"

Slim gave a start of surprise and pleasure. "Why, yes, thank you. I had a couple on my way here, but I think I could stand another."

According to Dr. Cox, is confident that with national health being stressed as one of our nation's most important problems, 1946 will see great strides made in the upbuilding of public health on a national scale.

Supposed-to-Be Salesman.

"Well, what are you selling?" growled the gruff prospect, looking up from his desk.

"... nothing, sir," stammered the timid tyro, "and is my boss raising cain!"

MOST HAMLIN AREA PEOPLE FAVOR OPA CONTROL OF PRICES

Despite the difficulties presented in some quarters by continued use of OPA ceilings on products and commodities, most Hamlin region people contacted by The Herald recently feel that some form of price control should be maintained for some time.

Fear of inflation is the chief objection to turning loose of prices, especially those on foods and other cost-of-living items.

Reconversion Director John W. Snyder warned Congress Wednesday that inflation "is a very dangerous condition" and urged extension of the OPA law to keep it "in bounds."

Appearing as a witness before the House banking and currency committee, Snyder declared:

"It is vital to keep the cost of living in line so that labor need not press for higher wages.

"It is vital to keep the cost of major raw materials in line so that production can go forward."

Snyder predicted that if price controls are removed, it is not "unlikely" that prices of autos, refrigerators, radios, furniture and farm machinery will increase 25 to 50 per cent.

He declared that should this eventuate, the price of food, agricultural products, clothing, rents and housing would inevitably follow the inflationary spiral.

Warehousemen Fly to New Orleans Last Week

Fed Britton of Hamlin and R. E. Johnson of Stamford returned Monday from a quick trip to New Orleans, Louisiana, in connection with insurance and other matters affecting the cotton held by their warehouses.

The Jones County pair flew to New Orleans Wednesday of last week.

Mickey McGuire Opens Own Cafe on Central

Mickey McGuire, for several years identified with cafes of the Hamlin section, last week opened his own place of business just north of the new Branscum Grocery on Central Avenue, across the street from the ice house.

Being assisted by his wife, Mickey has equipped the new place with modern cafe appointments. He invites his friends to visit him in the new location.

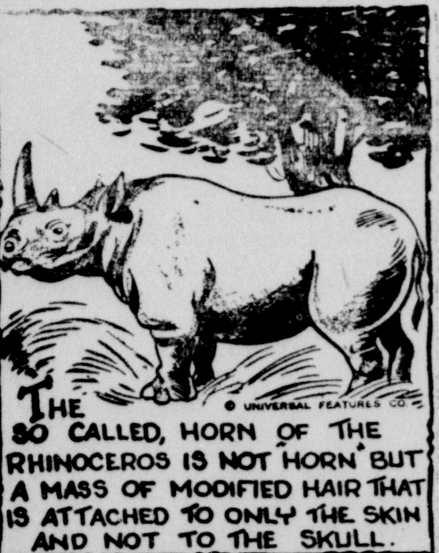

Drew Nichols, Veteran, Lieutenant-Governor Bid

Drew C. Nichols, 35-year-old veteran, announced this week as a candidate for lieutenant governor.

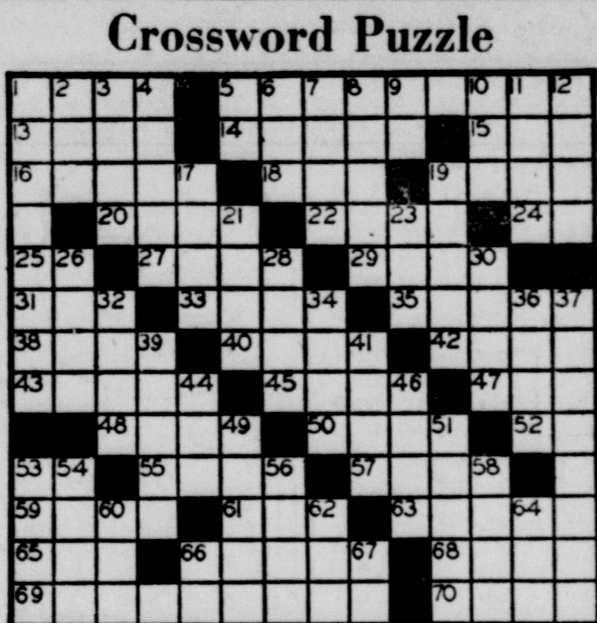

Asserting that the "age of atom demands a new type of public official," Nichols put himself into the race on a platform of "more science applied to human relations, within a Christian democracy."

PROPER FOODS IN DIET IMPORTANT IN RETAINING HEALTH

That the inclusion of proper foods in the daily diet plays a very important part in the maintenance of good health was stressed in a statement issued this week to Hamlin area people by Dr. George W. Cox, state health officer.

"One of the most dreaded of all diseases, pellagra, is caused entirely by not eating the kinds of food which would insure a properly balanced diet," Dr. Cox said. "The public is prone to overlook the serious nature of pellagra. At best it is an uncomfortable and unpleasant disease, but aside from this, there is one possible result that can be very tragic. All too frequently pellagra leads to serious mental disturbances," Dr. Cox warned, "and in some cases actual insanity."

According to the state health officer, pellagra is known as a disease which is no respecter of persons. There is danger of pellagra striking at any age and either sex when the diet is consistently faulty.

To make sure that the diet contains the proper pellagra preventive elements, it should include daily plenty of pure milk, some fresh, lean meat, and as many fresh vegetables, especially green vegetables, as possible. Tomatoes and whole wheat bread are also very valuable and eggs contribute their share to pellagra prevention, as do all varieties of fresh fruits.

In 1945 there were 103,239 producing oil wells in Texas.

HERE'S WAY TO BUILD UP RED BLOOD to get more STRENGTH

if you lack BLOOD-IRON!

You girls and women who suffer so from simple anemia that you are pale, feel tired, weak, "dragged out"—this may be due to lack of iron in the blood.

So start right away—try Lydia E. Pinkham's TABLETS—one of the best and quickest home ways to help build up red blood to get more strength and energy—in such cases.

Pinkham's Tablets are one of the greatest blood-iron tonics you can buy. Just try them for 30 days—then see if you, too, don't remarkably benefit. All drugstores.

Lydia E. Pinkham's TABLETS

Don't be confused! The first thing to think of when your doctor gives you a prescription is to have it filled by a competent pharmacist . . . and the only place to go when he prescribes a special prescription is the CITY DRUG STORE, a complete Rexall Store.

COTTON STEMS MAY BE USED TO MAKE PAPER PRODUCTS

Hamlin area cotton producers are interested in recent research projects conducted in laboratories of the Herty Foundation at Savannah, Georgia, that indicate that vast quantities of cotton stems, now left to rot in fields, can be made into corrugated board stronger than that produced from wood pulp.

As a basis of production estimates of 300 pounds of cotton stems to the acre, the nation's annual cotton crop would yield as much as 9,000,000,000 pounds of paper pulp. Cotton stems can be washed for paper processing in about one-fourth the time needed for stem refining also is shorter.

In addition, the collection of cotton stems before the first autumnal frosts would deny shelter to boll weevils, which annually destroy millions of dollars worth of cotton.

Big shots are only little shots who kept on shooting.

The first Allied troops to land on continental Europe in World War II was the all-Texas 36th Division.

ACROSS THE STREET FROM THE ICE HOUSE

LET'S TAKE STOCK NOW

Everybody wants goods.

Manufacturers want to make them for you.

Yet months after the war's end, you still find it difficult to get many of the things you want and should have.

So, isn't this the time for all of us to take stock . . . to learn a lesson . . . to find out, if we can, what will cure the troubles we are having and prevent their recurrence?

Let's look ahead and agree on a program that will insure the full production everybody agrees is the real answer to most of our problems.

Suppose we begin by taking a good look at three roadblocks to prosperity...

STRIKES

Whatever their justice or injustice, strikes paralyze production, force people to use up their savings, and result in losses that can never be made up.

PRICE CEILINGS

Full production isn't possible when industry suffers losses because of rising costs and frozen prices. Price

ceilings limit production — goods just don't get made.

GOVERNMENT SPENDING

Continued huge government spending means continued high taxes. High taxes discourage production, hinder the creation of jobs, and leave you less to spend.

ISN'T THIS THE WAY?

The people, through Congress, can remove these roadblocks in the long-range interests of all . . .

By establishing a labor policy that will treat labor and management exactly alike, and above all be fair to the public;

By removing the shackles of price control on manufactured goods;

By cutting down on government spending now and balancing the Federal budget by the 1947 fiscal year at a level of income and outgo that taxpayers can stand.

Do you believe this program is in the public interest?

Your Representatives in Congress are the only ones that can put it into effect. Tell them how you feel about it.

FARMS FOR COUNTY NEEDED SAYS FARM SECURITY OFFICIAL

In face of a sharp increase in the number of veterans seeking farms in Jones County, Farm Security Administration Supervisor George L. von Roeder this week issued an urgent plea to Hamlin area citizens to give him a hand in locating farms for sale or lease.

New loans for livestock and operating goods have been made by FSA in this county to three returned servicemen since V-J Day. An additional five applications are on file in the FSA office at Anson.

Besides these, more than 31 veterans have made applications or inquiries for 40-year land purchase loans, but lack of available farms at reasonable prices has greatly hindered this program.

"Already a few patriotic citizens, who want to do more for the returning servicemen than just wish them well, have offered to sell at reasonable prices land for family-sized farms," Mr. von Roeder declared. "But we need more such assistance."

Congress has provided through FSA the funds for the two types of loans mentioned above—land purchase loans and operating loans—to assist veterans. The supervisor indicated, however, that unless and until the veterans can find the farms they want to buy or operate, these loans mean nothing.

"Anyone who has a large tract of land from which he is willing to sell or lease a veteran a family-size farm, please contact the FSA office," concludes Mr. von Roeder. Address of the FSA office is Box 309, Anson.

Hamlin Section Auto Owners Buying 1946 License Tags for Cars

Hamlin area car owners were buying their 1946 car license tags at a fair clip over the week-end, reported Morgan Insurance Agency, where the new tags were being issued. One hundred and seven tags had been issued through Monday.

Usually in years past between 700 and 800 passenger car tags are issued by the Hamlin office, and from 200 to 300 truck and pick-up licenses issued, according to Mrs. Arlene Morgan, agent for the tax collector's office at Anson.

Auto owners are reminded that March 31 is the final day for securing tags and putting them on old cars without penalty. Owners are urged to present last year's certificates of title and the 1945 license receipts when applying for new tags.

F. W. POE JR. SHOWS WINNING STEER AT ABILENE CLUB SHOW

F. W. Poe Jr., Hamlin Future Farmer of America student of Hamlin High School, showed first place winner in the first-of-the-week West Texas Boys' Livestock Show in Abilene in the light weight dry lot steer class.

Keen competition was evident in every division of the Abilene show, where hundreds of entries were made by club boys of 12 counties.

Hamlin FFA boys won second place in the showing of group of three in the dry lot calves division.

Other winners in the Abilene show included these Hamlin boys: Heavy weight milk-fed steers, Elton Brigham won fourteenth place; Joe won eighteenth place in the light weight milk-fed steers division; Jack Willingham took thirteenth place on heavy weight dry lot steers; and Poe copped nineteenth and Dale Brown twenty-second places in the same class; Elton Brigham copped fifth place, Willingham ninth and Kenneth Treadwell thirteenth in the light weight dry lot steer class in which Poe won the first spot.

GOVERNOR ASPIRANT

Declaring that Texas is being torn between two extreme political theories, Beauregard H. Jester urged that some consideration be given the common people, who are "in between," in announcing his platform for governor this week. Jester, above, is from Corsicana.

L. V. Miller Opens New Garage in Vaughn Site

L. V. Miller's Garage is the new business concern which last week located in the former John Vaughn building on Central Avenue, across the street from West Texas Utilities Company.

Miller, for several years operator of auto service concerns, has added new shop equipment to the concern, and is doing all types of welding. He is being assisted by experienced mechanics.

AREA CRIME WAVE NOT FELT IN HAMLIN BUT CITY CAUTIOUS

While Hamlin itself has not felt much of the area crime wave affecting neighboring towns, local officers are concerned over the prospect of local violations, and are taking measures to keep tabs on them should they come to Hamlin.

Recent burglaries are reported in Rotan, Stamford, Anson and Sweetwater. So far as The Herald can learn no burglaries have been committed in Hamlin lately.

Attorney General Tom Clark reported first of the week that the largest annual increase in serious crimes in 15 years took place during 1945.

Clark said an FBI crime report showed serious crimes jumped 12.3 per cent over 1944. The offenses considered in the survey included murder, rape, robbery, aggravated assault, burglary, larceny and auto theft.

"This orgy of crime must and will be wiped out," Clark said. "Our efforts must be doubled to check this dangerous situation. Respect for law must be restored. We are directing all U. S. attorneys to insist upon the severest penalties under the law for those convicted for serious federal offenses."

E. C. WALDROP
D. I. (IKE) WEST

Army Recruiters Come To Hamlin Thursdays

Recruiters for the U. S. Army are coming every week to the Hamlin City Hall every Thursday to accept recruits for service in the peacetime army of Uncle Sam.

Captain Wayne Hall of the Abilene Recruiting Office was here last week with a recruiting sergeant. He declared that "Congress has authorized the largest and best equipped peacetime army in the history of the nation, being recruited by voluntary enlistment."

Didn't Have His Bathing Suit.

An old cowboy went to the city and registered at a hotel for the first time in his life. The clerk asked him if he wanted a room with running water.

"Heck, no!" the cowboy yelled. "What do you think I am, a trout?"

B. T. Beaver Running For Reelection as Jones County Superintendent

B. T. Beaver, county superintendent of the Jones County schools, has authorized The Hamlin Herald to publish the following statements which pertain to his candidacy for reelection to the office of county superintendent of schools.

To the citizens of Jones County: I wish to express my sincere appreciation to the people of Jones County for their hearty cooperation in helping to carry forward the county's school program. Strong cooperation on the part of the trustees, patrons, teachers and pupils, has been evident at all times. Without this excellent cooperation our schools would not have made so much progress.

An outstanding achievement in connection with our schools is that 92 per cent of our rural school pupils have access to either an accredited school in their home district or to an accredited four year high school.

I have enjoyed having a part in the advancement of the school program for Jones County. I believe that I can render better service now than at any time in the past. The preceding statement is based on the following facts:

1. I am now more familiar with our school program than I have been in the past.

2. I am closely in touch with the various divisions of the State Department of Education at Austin.

3. I am familiar with the modern trends in education.

4. I subscribe to the following propositions: (a) Every child has the right to a satisfactory modern education. (b) Every child has the right to an educational program that bridges the gap between home and school, and between school and adult life. (c) Every child has the right through his school to health services, educational and vocational guidance, library facilities, recreational activities, and a hot lunch at school. (d) Every child has the right to good teachers, supervisors and administrators. (e) Every child has the right to attend a good school that is open for nine months in each year for at least 12 years. (f) Every child has the right to attend school in a satisfactory modern building that is well equipped.

Upon the above, and other reasons which space will not allow, I

Weaver Baucom Puts Hat in Ring for County Tax Assessor-Collector

Weaver Baucom, candidate for the office of tax assessor-collector, makes the following statement as he formally announces for the office:

"I was born in Jones County and have been a resident ever since. Most of that time I have spent on a farm near Anson. I am married and have four children.

"Never before have I sought public office. Farming has been my occupation and I believe I know the value of farm property. I have been a taxpayer for years and assure everyone fair and honest treatment. I am obligated to none and everyone will be treated alike.

"If I am elected, I assure you that the office will be conducted as you would have it. I promise to hire experienced deputies who will give you courteous attention."

What About Inflation?

"What are the properties of heat and cold?"

"Heat expands, cold contracts."

"Correct. Give an example."

"In summer when it's hot the days are long, and in winter when it's cold the days are short!"

am asking for reelection to the office of county superintendent. If reelected, I shall strive, with the help of my efficient assistants, to render you a satisfactory service. I shall appreciate every effort put forth by you in my behalf.

Respectfully yours, B. T. Beaver.

W. H. Eyssen Jr. Issues Formal Announcement For Judge Candidacy

I am announcing my name as candidate for the office of county judge of Jones County. In making this announcement I do so with a full realization of the duties, responsibilities and requirements of the office, and I feel that should you, the voters of Jones County, honor me by selecting me to this office, because of both training and legal experience, I am justified to serve you honestly, justly and faithfully.

I have made my home in Jones County since February of 1940, at which time I moved to Hamlin and opened my law office, where I have practiced continuously, except for my period of naval service, since that time.

I received my pre-law education at Texas Christian University, and attended the school of law at the University of Texas, from which school I received my degree in law. I received my license to practice law in 1939, and it was shortly thereafter that I moved to Hamlin and commenced the practice of law in Jones County.

I remained in Hamlin until the early part of 1945, when I was sworn into the U. S. Navy, with which I remained on active duty until February 19, 1946, at which time I was honorably discharged. Since my discharge I have returned to my law practice in Hamlin.

The office of county judge is one of our most important county offices. His duties are many and varied, and in most part pertain to legal questions. I feel that this is a type of work which my training and past experience have qualified me to do, therefore I most sincerely ask your support in the primary in July.

It is my hope that I shall be able to make personally the acquaintance of each of you before that time. If it should be impossible to do this, I want to make this personal appeal to each of you for your vote and your support and influence in the July primary.

Respectfully—W. H. Eyssen Jr.

Rooms and Apartments Still Needed in Hamlin

Several Hamlin folks responded to The Herald's appeal last week to "move over" and share their living space with prospective citizens of our town.

But the response was not enough to house the crew of the Southern Geophysical Company, a seismograph unit working in the county, that wanted to locate here. The crew was housed at Anson.

Other people are wanting to move to Hamlin all along, and Chamber of Commerce Manager Mrs. E. M. Wilson says that she still needs listings of apartments and rooms that are available for newcomers.

"Think on these Things"

INDIFFERENTISM SHOULD BE CONDEMNED

Indifferentism should be condemned in the name of reason. The god of indifferentism is not worshipped by rational men. God is supreme truth and supreme holiness. Therefore, He cannot be equally pleased with falsehood and truth, with evil and good. To say that a man is indifferent to truth is to brand him as a falsifier; it is not otherwise to say that God is thus indifferent. This is not to maintain that private judgment is to be outlawed. However, private judgment is a judicial, not a legislative, function. Man must judge as to whether God has spoken and as to what He has spoken, but he must remember that his judgment is not God's law. There is nothing infallible about it.

Indifferentism should be condemned in the name of revelation. Some are indifferent because they do not believe that God ever gave a special revelation. Christianity is not unique, they claim. It differs from Zoroastrianism and Hinduism only in degree, they say. Yet there are many indifferentists who claim to adhere to the Christian revelation while rejecting some of its tenets. If a man makes 10 statements, eight of which are truth, you either brand him as a uninformed, misinformed or a falsifier. One must not select some of God's truths and reject the rest.

God did not think that it made little difference what the Israelites believed in religion. Some of their saddest experiences came as a result of believing idolatry just as good as, or better than, the worship of Jehovah. Paul did not think that it made little difference what early Christians believed concerning the relationship of law and grace. He went so far as to tell the Galatians that on who would be justified by the law has fallen away from grace (Galatians 5:4).

James did not think that it made little difference as to what a man believed of the subject of faith and works. Belief determines action. John did not think that it made little difference what a man believed about Gnosticism (1 John 1:8; 2:22; 4:3). Early Christians did not think it made little difference what they believed about the Ruler cult and emperor worship. They thought that it made the difference between eternal life and everlasting destruction.

Indifferentism should be condemned in the name of morality. The logical conclusion to indifference to belief is indifference to action. If religion is a matter of opinion, all certainty in morals is gone. Out of the heart are the issues of life, and from the abundance of the heart the mouth speaks. The thought precedes the deed.

It is not good to say: "I do not care." There is nothing about which a Christian should be indifferent. He is not indifferent about what he is or what men think him to be; neither is he indifferent about the character or reputation of another. "CHRISTIANS ARE PEOPLE WHO CARE ABOUT PEOPLE WHO DO NOT CARE." avoid this expression of indifference. Said lightly, it reveals lack of thought; said thoughtfully, it reveals lack of feeling.

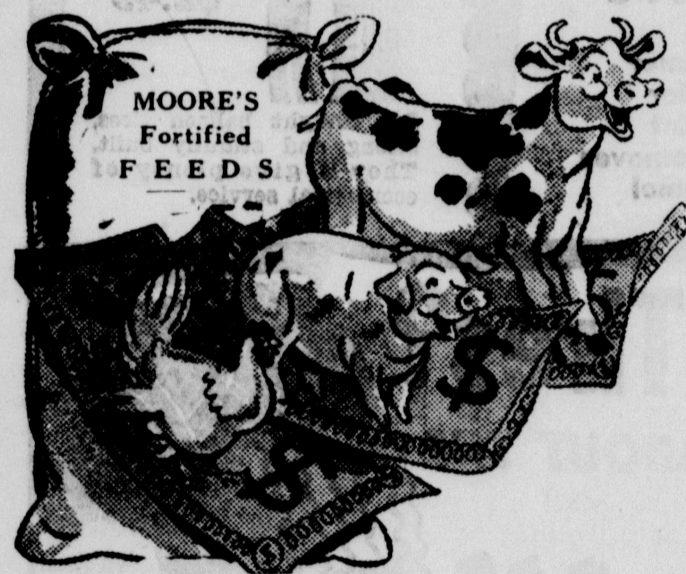

The indifferent man is not good as a convert to Christianity unless he is converted from his indifference. One who loves truth will not be indifferent to it in any form or location.

Let us study to handle God's word aright. We must not be indifferent; we must be discerning. May the Lord help us to realize that it is as important that we have the missionary spirit—yes, more so, than it is to be able to trace the missionary journeys of Paul. We care because He cares!

RED CROSS DRIVE IN HAMLIN CHALKS UP GOOD RESPONSE

Hamlin had almost completed its share of the Red Cross quota in a drive that got under way in earnest Tuesday morning following a breakfast at the Morgan Hotel at 8:00 o'clock, according to Starr Inzer, Hamlin Red Cross chairman.

Hamlin's assessed quota is \$1,300, and Inzer expressed opinion Tuesday that the town would more than attain its quota by the week-end. Last year's goal was \$3,300, when more than \$4,000 was raised in the campaign for the "Mother of Mercy."

J. L. Hill is county Red Cross chairman. The Jones County goal is \$8,000. In 1945 Jones County was given a quota of \$19,000, and \$22,000 was raised.

At the Tuesday morning breakfast plans for the drive were outlined by the local chairman, who divided the attendants into teams. The teams immediately went to work in canvassing the territory. Major canvassing was scheduled to be made in the business section Tuesday, with probability that a residential canvass would not be made, Inzer stated.

Attending the breakfast were: Mr. and Mrs. Holly Tuler, Mrs. R. D. Moore, Mr. and Mrs. Brad Rowland, Mrs. John Ed Day, Mrs. C. F. Butcher, Mr. and Mrs. Max Brundage, Mrs. G. A. Poe, Mrs. A. E. Robinson, Mrs. Kent Jones and Mr. and Mrs. J. Starr Inzer.

New Gymnasium to Be Erected at McCaulley

Word from McCaulley this week is that contract for a new gymnasium for McCaulley High School will be let this month. The community has needed the new gym for some time, and news of its impending construction sounds good to the kids and grown-ups of the community. Teams of the McCaulley school have needed such a building for a long time.

The Herald understands the structure will be started within a few days, and would be completed before the current school term is out.

COTTON PRICES GO TO NEW HIGH AFTER BRIEF RECENT SAG

Following a sag in the price of raw cotton, that was becoming a major concern of Hamlin and West Texas cotton buyers and producers, cotton prices reached a new high late last week following a decline last Monday and Tuesday.

The agriculture department said prices for middling 15-16-inch cotton in the nation's 10 spot markets averaged 26.56 cents a pound on Thursday compared with 26.30 cents a week earlier and 1.80 a year ago.

A mid-February parity 12 points higher than a month earlier was announced by the department. This was in line with trade expectations.

The parity price as of mid-January was 22.07 cents a pound again at 21.95 cents for January and 21.33 cents in February, 1945. Sales reported in the 10 spot markets totaled 138,000 bales, a decline from the 177,900 bales of a week earlier, but an advance over 75,500 bales of a year ago.

Registered sale under cotton export program declined during the week with total of 27,500 bales reported compared with weekly average of 47,700 bales.

She was only a grave digger's daughter, but you oughta see her lower the beer.

MEMBERSHIPS FOR HOSPITAL CONTINUE TO BE SUBSCRIBED

Memberships in the Hamlin Memorial Hospital Association continue to be taken at a nice clip, hospital enthusiasts declare. The following statement is issued by officials of the association:

Reason we are furnishing The Herald with the names of all new members of the Hamlin Memorial Hospital Association each week is to let their neighbors understand who are showing definite interest in getting a hospital for this great area reaching out from Hamlin in every direction.

New names this week are: Charlie Lee Adams, farmer; Mrs. Annie Barnett, farmer; Elmo Bellah, hatchery foreman; Mrs. T. T. Brady; R. Y. Barrow, furniture-undertaker; B. Mac Brundage, manager utilities; E. C. Davis, farmer; A. F. Dixon, farmer; A. B. French, farmer; A. J. French, farmer; Mrs. W. H. Gilbert, postal clerk; E. W. Green, farmer; C. W. Gold, Shell pipe line; Fred Hulsey, superintendent General Crude; Ray Huling, service station; Dan Howard, hardware clerk; Henry Jackson, hardware clerk; J. S. Mauldin, Sylvester; Hollis W. Madden, gin manager; Ray Maberry, farmer; E. R. Polnac, Tuxedo; Kenneth Parker, cafe; G. H. Reynolds, Sylvester; J. A. Rose, farmer; G. R. Riddle, county commissioner; James I. Steed, laundryman; Ezra Shira, farmer; J. L. Treadwell, farmer; O. A. Tindal, trucking contractor; Monroe Tabb, farmer; W. R. Wilkerson, grocery and service station; W. B. Wade, farmer.

Cash deposited Wednesday totaled \$9,405; partial payments due were \$630, making a total subscribed to date of \$10,035.

Last week The Herald reported 160 families signed up for the hospital. This week there are nearly 160 families.

When we get 500 or 600 families you may expect to hear of location plans and specifications, see an illustrated building and hear about a doctor or two.

There are two or three groups of people: One group has already put up the full \$50 membership price or have started paying on one. They ask, "What are you waiting for?"

There is a large group, more than is needed to put the hospital over, who say, "We are in as soon as we see a little further."

There is another group who seem to be unaware that some time, maybe any day, they will have to call on a doctor and maybe be put to bed in some hospital.

This week one good neighbor farmer was assisted in getting to a distant hospital for a check-up. This week one Hamlin man took his wife to a distant hospital, where they diagnosed the case as pneumonia—but there was no available room. Other similar cases perhaps, and this thing is going on all the time. Then how can anyone feel unconcerned?

The amount necessary to put up on the hospital is so small that it is unbelievable that any family can plead money as an excuse to wait.

Two Hamlin Stockmen Sell at Abilene Auction

Two Hamlin consignors sold stock on the Abilene livestock auction last Thursday, when the market experienced steady to strong market action and good demand on all classes of stock.

Craig Elmore sold 26 fat cattle, and F. T. Turner sold 11 mixed cattle.

RUPTURE Shield Expert Coming!

H. M. Shevnan, widely known expert of Chicago, will personally be at the Windsor Hotel, Abilene, Sunday and Monday only, March 17 and 18, from 9:00 a. m. to 4:00 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location, but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in 10 days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 55.

Large incisional hernia or rupture following surgical operation especially solicited.

ROADENED MART FOR COTTONSEED IS SEEN IN MOVEMENT

Cotton producers of Hamlin area and all the Cotton Belt are concerned in recent movements to broaden market of cottonseed oil products, particularly oleomargarine. One of the principal outlets for cottonseed products, margarine's markets affect the price and movement of cottonseed, which is a major commodity of the cotton grower. Announcing state and federal moves against margarine and other cottonseed products as being a "justice" to the consuming public as well as the cotton industry, G. Henry of Memphis, chairman of the National Cotton Council's barriers committee, promises the Council's campaign against discriminatory laws will be intensified during 1946.

Statements by administration leaders that the world wheat crisis necessitate increased exports of American wheat and consequent lessened production of pork and beef led to an unprecedented shortage of fats and oils," Mr. Henry declared. It is a rank injustice to consumers in many states that laws which prevent them from sharing equally in the supply of whole cottonseed margarine, especially during the period of extreme shortages which lies ahead. Recent strides toward eliminating barriers on cottonseed oil products have encouraged heightened activities in the program against such restrictions, Mr. Henry said. He pointed out that the 44 state legislatures convened last year did not pass a single bill adversely affecting margarine. During the same period, only one—South Dakota—passed a law imposing further restriction on margarine. The Fourth Circuit Court of that state then declared the 10 cents pound South Dakota margarine tax illegal, holding it to be in restraint of trade. The 1945 North Carolina Legislature repealed a prohibition against sale of colored margarine, except restaurants. Georgia amended its laws to obviate the necessity of labeling each package "oleomargarine" and of notifying guests in public eating places that the substance served was "oleomargarine."

Cheerfulness is health; its opposite, melancholy, is disease.—Halilton.

Paul Hudson Returns From Service in India

Captain Paul Hudson returned last week with a discharge button after three years in the Air Corps. Captain Hudson saw two years of duty in the China-Burma-India Theater of Operations, where he assisted with aid to China.

Accompanying the Air Corps captain to Hamlin was his wife, of Pennsylvania. Hudson, the son of Mr. and Mrs. Jim Hudson, probably will go to college after his visit here.

W. J. Hudson Named Hamlin Public Weigher

Appointed public weigher for Precinct 5, the Hamlin area, by the Jones County Commissioners Court, W. J. Hudson is making his headquarters at Producers Gin.

With facilities for weighing all types of heavy loads, Hudson is the official weigher for this section of the county.

J. N. McAllister Back With Oxford Schooling

With more than five years in the army behind him, J. N. McAllister of Tuxedo, who held a master sergeant's rating, is now home with loved ones and friends.

McAllister is a grandson of Mrs. J. D. Farrow of Hamlin. In the U. S. Army Air Forces since November of 1940, McAllister attended Oxford University in England one term before he received his honorable service discharge.

Why We Don't Have Lumber for Home Building!

There are plenty of trees, plenty of lumber mills,
but very little lumber for home building. WHY?

Here are the simple facts behind the lumber shortage—these facts are stopping Home Building:

1.—Over 50 per cent of our lumber was cut by small mills. Thousands of these mills were put out of business during the war by OPA ceiling prices. OPA still clings to war-time policies and these mills are still out of business.

2.—OPA's blind "hold the line" policies, plus lack of enforcement, have led to the development of a huge BLACK MARKET in lumber. "Black Market" lumber is lumber that costs the people more money than they would pay if lumber were flowing to them through the normal channels of distribution—the retail lumber dealer.

3.—War-time ceiling prices made it profitable for the lumber manufacturer to cut sizes of lumber suitable for war uses, but not suitable for home construction. As OPA continues this unrealistic policy, manufacturers continue to cut lumber sizes which are unsuitable for home construction.

In some cases premium prices granted by OPA encouraged production of lumber not usable for Home Building. Proper peace-time adjustments have not yet been made to encourage production for home construction, lumber such as flooring, ceiling, siding, millwork, plywood—all essential items in home construction. This situation affects all lumber production.

4.—The manufacturers of lumber have been provided with a hidden premium on export lumber. The OPA has made it more profitable to produce lumber for export to foreign countries than to produce lumber for home construction.

These are merely examples from the lumber field which indicate the type of OPA action that is blocking the production of home building materials in many fields.

The fact remains that homes cannot be built by any industry or Government agency without materials.

Homes cannot be built without lumber—whether that home be wood, frame, brick, concrete or stone.

The lumber and building material dealers, and the contractors of the nation, can build all the homes needed—if they have the materials. But the flow of materials must be unblocked. Only increased production of building materials can solve the so-called housing problem, and the unrealistic pricing policy of OPA is the biggest present block to increased production!

Any government program that does not FIRST remove the obstacles blocking the production of materials will simply add additional difficulties to the problem facing the building industry.

WILLIAM TELL ARCHERY DEMONSTRATION GIVEN FOR LIONS BY ROSCOE BOY SCOUTS

Hamlin Lions Club members were given a William Tell demonstration Tuesday at the regular weekly luncheon of the civic group. Boy Scouts from Roscoe were responsible for the entertainment.

Under the tutorship of George Parks, who has been a Boy Scoutmaster for 15 years at Roscoe, four members of the Roscoe troop showed Lions and their guests feats of accuracy with home-made bows and arrows that gave them a thrill—and chills. After refusal of Dr. Joe McCrary to act as William Tell Jr., one of Roscoe's quietest citizens submitted to being the guinea pig under the apple, which was shot from the Roscoeite's head by marksman Bobby Lloyd Denson. Other boys taking part in the demonstration were Walter Maoney, J. Wells Slater and Phil Haynes.

The archers were presented after appearance of R. E. Gracey of Roscoe, candidate for district governor of district 2-E. Gracey was introduced by Rev. Tom Keenan, Roscoe Baptist Church pastor.

"Lionism is the lubricant that overcomes the friction of the everyday business world," declared Gracey, who aptly pointed out a five-point method of procedure for getting things done in a community. "Business men create prosperity in a community, but politicians take credit for it. Public opinion is the politician's constant concern, and we should let our office holders know occasionally that we remember they are on the job supposed to be working for us," Gracey stated.

Henry Albritton was in the civic

club's presiding chair when an overflow crowd of Lions and guests assembled at the Tuesday session. Ted Russell was program chairman for the meeting.

About a dozen Lions signified their intention of making a visit with the Sylvester Lions Club Tuesday evening. Charlie Prater was chairman of the program committee for the Sylvester gathering. W. H. McBride was transportation chairman.

W. H. Eyssen Jr. was present for his first meeting since returning from military service. President Art Carmichael of the club announced that Eyssen's return completed the return of former Hamlin Lions Club members from the armed forces.

Locals Go to District 17 Baptist Eastland Session

Hamlin First Baptist Church was represented by eight members at the District 17 Baptist Training Union and Sunday School Convention at Eastland last Thursday. G. S. Hopkins, state Sunday School Board secretary, was principal speaker at the all-day session.

Hamlin attendants were: Tate May, First Baptist Church Sunday School superintendent, Mrs. May, W. L. Boyd, Howard McLaughlin, Mrs. Alton Clements, Mrs. Tom Routh, Mrs. A. G. Miller and Mrs. Troy Austin.

We knew a Scotchman who was so tight he fried his bacon in Lux to keep it from shrinking.

Demonstration Agent Attends Dallas Confab

Hannah Nabors, Jones County home demonstration agent, Monday and Tuesday attended a convention of county home demonstration agents of Texas in Dallas. Functions of this organization are to promote efficient service to rural and urban groups, lend its assistance to the Extension Service of Texas A. & M. College and encourage professional development among its members.

As the new director for this District Seven, Miss Nabors represented the agents of the following counties: Jones, Fisher, Taylor, Nolan, Coleman, Callahan, Brown, McCulloch, Mason, Runnels, Mills, Comanche, Eastland, Blanco, Erath, Palo Pinto, Stephens, Llano, and San Saba.

Con-Tex Applies for Gas Re-Pressure Permit

Of keen interest to Jones County operators is the hearing for Con-Tex Petroleum Corporation that will be held in Austin March 14.

The Herald was informed Tuesday that application of George D. Morgan, trustee, and the Con-Tex Petroleum Corporation to re-pressure with gas their Alexander Trust Estate lease in Jones County will be heard March 14.

Officials of the Texas Railroad Commission say the applicants also seek to transfer the allowables of the three key wells, Nos. 4, 11 and 15, to other wells on the lease.

We hope the new cars have less speed and more control.

Across Street from West Texas Utilities

Everyone seems to be planning for easier cooking! New Freedom Gas Kitchens Point the Way!

Gas is far and away the most popular kitchen fuel. Its speed, flexibility and economy are enjoyed in practically every urban home here in the Southwest. Truly, it is America's sought-after fuel. So it is little wonder that kitchen modernization plans are centered around the new automatic gas ranges and silent gas refrigerators. Around them, leading home economists, architects and designers have designed the ultra-modern New Freedom Gas Kitchen. For easier, better cooking in a beautiful, comfortable kitchen specify in your building or remodeling plans: "A New Freedom Gas Kitchen."

SPEED—There is nothing to equal the speed of automatic gas cooking. For instance, pre-heating time on an automatic gas oven: in exactly eleven minutes it will go from room temperature to 500 degrees. You have instant heat with the clean, blue gas flame!

CONTROLLABILITY—On no other cooking appliance can cooking heats be so accurately controlled as they are on ultra-modern, automatic gas ranges. From simmering warmth to fast boiling there are any number of shades of heat.

QUALITY COOKING—There is nothing like the clear blue flame of gas for bringing out all the flavor of broiled foods and at the same time conserving vitamins and minerals.

FREE PLANNING BOOKLET

You'll need this booklet for help in working out your remodeling or new home building plans for it contains floor plans and color schemes for ten New Freedom Gas Kitchen Designs. It also contains brief suggestions for working out good kitchen designs. Ask for it at your nearest Lone Star District offices. It is free to home planners.

LONE STAR GAS COMPANY

Mrs. Kite Gives Party For Daughter Monday

Mrs. R. L. Kite entertained Monday evening at her home with a birthday party honoring her daughter, Oleta, on her thirteenth birthday.

The house was gaily decorated with red and white carnations and fern carrying out a color scheme of red, white and green, with red candles on the buffet and table. The lace laid table was centered with a two-tiered white birthday cake with red carnations surrounded with greenery. Mrs. D. C. Rodgers had charge of the decorating.

Lively games were played during the evening by the group, directed by Jessie Myers and Mrs. Delbert Kite.

After many exclamations over the lovely gifts and still more fun, the wishes were said and the candles extinguished.

The honoree cut the cake which was served with red punch, ladeled

ROTARY CANDIDATE

First candidate to be presented for governor of the 127th District of Rotary International, of which the Hamlin Rotary Club is a part, for the coming year is W. Aubrey Stephenson, assistant dean of arts and sciences and professor of government and political science at Hardin-Simmons University, Abilene. Stephenson moved to Fisher County in 1905 with his parents, and his mother lives in Hamlin. Stephenson has only missed two meetings of Abilene Rotary Club since he became a member in 1927.

Home Ec Girl Form Baby Sitters Club

A Baby Sitters Club has been formed in the Homemaking Department of Hamlin High School for parents who wish to have an evening out. The following rules must be observed, officials of the club state:

- 1.—Parents make certain the girl gets home safely.
 - 2.—On school nights students must be home by 11:00 p. m. and by 12:00 p. m. on Saturdays.
 - 3.—Students must know where one or both parents can be reached in case of emergency, but she would not bother the parent by needless calls.
 - 4.—Thirty-five cents per hour will be charged.
 - 5.—Girls will keep the child at the child's home, and she is not to do any house work at the 35-cents per hour rate.
 - 6.—Girls are not to have anyone with them when they sit, that is, no outside person to accompany them.
- Girls available are: LaNell Coltharp, phone 294; Betty June Taylor, phone 194; Margie Hallmark, Sue Jean, Wilda Lou Jean, Bettye Wells, Bobbie Ruth Brown, phone 449; Vannie Bea Huling, Barbara Rodgers, phone 9017F31; Ann Agnew, Frances Branscum, phone 71; Iris Ann Criswell, Celotex; Joan Deel, Jessie Rankin, Beckie Bowman, Patsy Smith, Lou Dan Branscum, phone 71; Peggy Joyce Terrell.

Mrs. Ferguson Attends Funeral for Grandson

Mrs. B. S. Ferguson returned several days ago from Holdenville, Oklahoma, where she attended the funeral of a grandson, Phillip F. Carlton, infant son of Mr. and Mrs. Weldon Carlton, who died February 14 in a Holdenville hospital. The child was born eight hours previously and weighed four and one-half pounds.

Survivors include his parents, Mr. and Mrs. Weldon Carlton; one brother, Jerry; and the grandparents, Mr. and Mrs. A. H. Carlton and Mrs. Ferguson.

Native West Texan Buried

Funeral services were held Wednesday for Arch E. Astin, 58 native of West Texas, who died here Tuesday. He was born on the Nolan County ranch of his parents, the late Mr. Mrs. Green B. Astin, who came to Jones County in 1900.

Bits of News About Your Friends

Mr. and Mrs. J. E. Johnson and Mr. and Mrs. John Morrison spent Sunday at Brownwood.

Mr. and Mrs. Arman Birdwell have been visiting at Carlsbad, New Mexico, for the past week.

Mr. and Mrs. Walter Burgess visited last week-end at Sweetwater with friends and relatives.

Mrs. Latt L. Shell of Georgetown has been a guest in the homes of Mr. and Mrs. Lott L. Shell Jr. and Mr. and Mrs. Joe A. Simpson.

Mr. and Mrs. Clyde Angel and son, Robert, Mrs. J. W. Ezell, Mr. and Mrs. Tate May, Mrs. J. Frank Johnson of Rotan, Mrs. Louis Rector and Mrs. Laura Woods of McCaulley went to Lubbock Saturday to visit in the home of Mr. and Mrs. G. W. Tate, parents of Mrs. Angel and brother of Mrs. Ezell and Mrs. Rector. The reunion was in honor of George and Sammie Tate, who have recently received their discharges from the Army and Navy.

Mrs. J. H. Gruben of Rotan is visiting friends here.

Mrs. Roy Flowers and Lou Don Stephens visited friends at Abilene over the week-end.

Mrs. Willard Jones and daughter, Anetta Jeanne, of Snyder visited with The Herald publisher Sunday.

Just received—shipment of curtain rods, window shades and electrical fixtures.—Carpenter Variety Store.

Gus Travis and son-in-law, Charles Brewer, and grandson, Charles Lynn, have gone to Gainesville on business.

Mrs. J. P. McClung of Ballinger came Sunday to visit Mrs. D. C. Rogers, Mrs. Dan Stephens and other friends here.

Mr. and Mrs. J. D. Rountree and daughters, Buna and Villa, were week-end visitors of the R. T. Spauldings at Odessa.

Bobby Spaulding of Odessa, who had been visiting his grandparents, Mr. and Mrs. J. D. Rountree, returned home last week-end.

Branscum Moves Shop Across Street at Wade's

W. A. Branscum moved his radiator shop, which has occupied the building just south of The Herald office, to the rear of the Farm Equipment Company, just across the street.

With many years of experience in radiator cleaning and repairing, Mr. Branscum invites car owners to see him in the new location.

An Amarillo dog lover picks up his baby by the neck to kiss it.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Dozens of folks asked us Saturday in Hamlin what happened to the Potshots column last week. Well, folks, we wouldn't know. We mailed the script in, but perhaps the editor needed the space for the 4-H Club show. Anyway, it is about the second time in five years that you failed to hear from down our way.

(Editor's Note—We failed to receive Mr. Darden's letter, and we, too, missed his weekly epistle for The Herald. Sorry).

Thanks to Mrs. Raymon Morgan of Dallas for her check for The Herald for another year. Mrs. Morgan is the former Inez Hunter of this community.

Well, folks, everything is on the up-and-up in this community. The contract for the Hamlin-McCaulley road will be let March 13, and the contract for McCaulley's new gymnasium will be let this month, so we hear.

Attending the district lunch room meeting in Sweetwater last Saturday from McCaulley were: Mrs. Frank Jackson, Mrs. George Darden, Mrs. Bertha Gregg, Mrs. A. M. Eivens and Ila Eivens.

Mr. and Mrs. J. W. Rush have rented a house on the Miers farm and are now country folks but town folks, too.

Mr. and Mrs. Johnny Burleson have purchased a house in McCaulley from H. P. Powers of Avoca.

A number of rent houses will be created in McCaulley just as soon as water is available. And, folks, plans are being worked out for a water system. So maybe so, with a new hard surfaced road through our McCaulley will once again hit its town, a new gym, a laundry, etc., stride.

The McCaulley High School girls' basketball team won second place at the tournament at Trent last weekend, winning their first two games by defeating Divide and Noodle, and losing the final game to the fast Eula team. The McCaulley teams, both boys and girls, have concluded a successful season, and the fans may look forward to fine teams next year.

Ed Mason and J. D. Maberry, who have been ill for some time, are reported to be improved.

Mrs. W. M. Keller has been visiting at Clyde the past week. Mr. Beard is ill in a hospital in that vicinity.

The greatest fight for political control since the days of Jim Hogg is underway in Texas. This year will perhaps be a showdown. Anti-New Deal Democrats, so-called Texas regulars, are planning and scheming for control. Old line Democrats, too, are endeavoring to stay in the saddle. We will watch with interest the big show.

Listen, folks, next Tuesday night, March 11, at the school house in McCaulley there will be a big pie supper. Pies will be sold at auction for the benefit of the Red Cross. McCaulley's quota for this year is only \$250 whereas last year's goal was \$430—but the old home town raised \$638.37. The ladies of the community are requested to bring pies and cakes and the men the long green. There will be a lot of fun—and, as you know, the money will be for a good cause. Meet your neighbor at the pie supper!

Mrs. F. L. Rector and Mrs. Laura Woods returned last week from Lubbock, where they have been visiting in the Tate home.

Mrs. L. H. Boyd has returned from a visit in East Texas. She visited Mr. and Mrs. G. E. Williams at Cooper and a sister at Dallas.

Soldier Bennie Ray Jones is home from Chicago on a 10-day leave for a visit with his parents, Mr. and Mrs. C. D. Jones.

COMMENT NO. 1

There are a lot of folks in the world who have so much curiosity and are so concerned with the other fellow's business that they just can't keep from meddling in the other fellow's affairs. Matters of a personal nature should not concern the fellow on the outside, yet a little gossip gets started some time, and by the time it makes the round via the grapevine a mountain is made out of a molehill.

If a question arises pertaining to our government, then that's the people's business, but if your next door neighbor elopes with another man or the man elopes with another woman, well that's their business. If you neighbor buys a cow and makes \$50 on the cow, that's his good luck. Gossiping meddlers are not appreciated by the general public.—A Darden-o-Gram.

Phone 241 and tell us your news.

Two Boys from Hamlin Enlist in Marine Corps

Two Hamlin boys last week enlisted in the U. S. Marine Corps, according to word from the Abilene Recruiting Office for that branch of the service.

Homer D. Pitcock and James C. Bailey, the enlistees, left immediately for the West Coast, where they are undergoing recruit training at San Diego, California.

Young Pitcock is the son of Mr. and Mrs. Joe V. Pitcock of Hamlin. He attended Hamlin Schools, and is 17 years old. Bailey, also 17 years of age, is the son of Mrs. Ima Foust of Hamlin, and also attended Hamlin Schools.

Great Disillusionment.

"Riley," pensively inquired Murphy, "do yez believe in dreams?"

"Sure, Oi do," replied Riley.

"Well, what's it a sign uv if a married man dreams he's a bachelor?"

"It's a sign," replied Riley, "he's goin' to meet wid a great disappointment when he wakes up."

CLUB STOCK SHOW

(concluded from page one)

Roby 4-H, third; Buddy Dwain Pyburn, Roy 4-H, fourth; Freddie Max Stuart, Roby 4-H, fifth and sixth.

Fat Hogs, All Weights—Grand champion, Freddie Max Stuart, Roby 4-H; reserve champion, Riley Greenway, Dowell 4-H.

Fat Lambs, Crossbreeds—Glennon Jameson, Hamlin 4-H, first and fifth; Freddie Max Stuart, Roby 4-H, second and third; Clifford Jameson, Hamlin 4-H, fourth; Alton Kite, Hamlin FFA, sixth.

Southdown Lambs—Glennon Jameson, Hamlin 4-H, first second and fourth; Elton Grigham, Hamlin FFA, third.

Fat Lambs—Grand champion, Glennon Jameson, Hamlin 4-H; and reserve champion, Glennon Jameson.

Registered Jersey Heifers, under One Year Old—Kenneth Holloway, Hamlin FFA, first and second; James Rodgers, Hamlin FFA, third; Freddie Stuart, Roby 4-H, fourth; Roberta Reynolds, Hamlin 4-H, fifth; Douglas Pyburn, Roby 4-H, sixth.

Jersey Heifers Over One Year but

Got Him Really Worried.

"Boy, I'm scared! I just gotta letter from a man telling me he'd shoot me if I didn't stay away from his daughter."

"Well, all you have to do is stay away from his daughter."

"Yeah, but he didn't sign his name."

Real Homelike!

Hotel Manager—"Why didn't you scrape the mud off your shoes before you came in here?"

Mountaineer—"What shoes?"
